Administration’s Message

Spring has finally arrived! As the warm weather approaches, our students and staff are eagerly awaiting the opportunity to take their learning, physical-education and other activities outdoors. Meanwhile, many students have been participating in exciting extra-curricular activities around the school, such as the Kenner Cup dodgeball tournament, badminton team, Dungeons & Dragons and board game club, Amigos and SWAT.

As traffic at our school entrances increases with more students beginning to travel to school on foot, by bicycle or scooter, parents and guardians are reminded to please drop their children off on Gillespie Street rather than driving into the Kenner parking lot. This will help reduce congestion and movement on school property as students’ transition to and from the building each day. Your assistance with this is sincerely appreciated.

This month, students will be celebrated within our community at the second annual Kenner Family of Schools Students Who Make a Difference awards. This event will be held on April 23 from 6:30 to 8:00 p.m. in the Kenner Pod and will acknowledge students in our school communities who consistently demonstrate acts of kindness, leadership and positive character traits.

As always, feel free to contact the school with any questions, comments, or concerns.

Jen Knox Jason Huffman
Principal Vice-Principal
