Hello families,

We hope that your student(s) have begun settling in at Kenner Intermediate and are feeling more comfortable with our routines and procedures to help keep everyone safe and healthy. As we look ahead to October, we wanted to provide you with a few important updates. Should you have any questions in the weeks ahead, please feel free to email me at jason_huffman@kprdsb.ca.

COVID-19 Screening

To help keep everyone safe, please ensure that you are using the screening tool included on page 2 each morning before you send your student(s) to school. We appreciate your support in carrying out this important task.

School Guests

Please remember that entry to the school for parents, guardians, and caregivers is now done on an **appointment-only** basis as part of our COVID-19 protocol. Should you wish to arrange an appointment, you can contact the school at (705) 743-2181, extension 228, to speak with our secretary.

Communicating with Students During School Day

Our cell phone policy remains in effect this year as we require students to keep their phones off and away throughout the day, except for our nutrition breaks. Families and students are asked to **communicate through the office** during the school day to ensure that we are aware of early departure, illness and other activities that may affect the school.

Plans of Care

Plan of Care documents were sent through School Messenger last week. Please be sure to return these documents and provide us with any updated medical information ASAP.

Twitter Account

Families are invited to join us on Twitter at **@KennerIntermed1** should you be interested in receiving updates about some of the activities taking place in our school and community.

School Council

Councils are an important part of each school and we need your help! Please email me if are interested in joining our school council this year. Our first meeting will take place on Wednesday, September 30 at 6:30 via video conference. We will also be needing a new chair this year.

As always, please let me know if you have any questions, comments, or concerns.

Sincerely,

Jason Huffman
Vice-Principal

KEEP OUR SCHOOL COMMUNITY SAFE

Do not come to school if...

You have travelled outside of Canada in the past 14 days

You have been in close contact with a confirmed case of COVID-19

You have any of the following symptoms

- Fever
- New or worse cough
- Shortness of breath
- Difficulty breathing
- Sore throat
- Headaches
- Diarrhea
- Unexplained fatigue/malaise/muscle aches
- Chills
- Runny nose/nasal congestion without known cause
- Nausea/vomiting
- Pink eye (conjunctivitis)
- Difficulty walking
- Abdominal pain
- Decrease or loss of sense of smell or taste

If you have any of these symptoms, do not come to school, and contact a medical professional for direction. The Ontario government also has an online screening tool for schools: <https://covid-19.ontario.ca/school-screening/>
